

Wayne Perry

Digital UI/UX Designer

A designer with over 11 years of experience, who is equipped with creativity, diligence and a sense of humour. Being a problem solver at heart, he is never one to shy away from the challenge of finding elegant solutions to complex problems. Designing solutions that effectively meet the business goals while maintaining the primary focus of the users needs. He works well on his own, but believes that collaboration and teamwork makes for a much stronger outcome.

Experience

○ Dec'13 - present

Sydney, Australia

Senior Product Designer – Hive Empire / finder.com.au

Working closely with the product and dev teams on new product designs, within an agile and mobile first environment. Designing the user experience and product UI.

○ Nov'10 - Jan'13

London, UK

Senior Product Designer – Media Ingenuity / totallymoney.com

Working on the designs of a range of financial comparison service products, such as mortgages, loans, insurances and credit cards. Plus, brand work for a new credit card.

○ Nov'06 - Mar'11

Cape Town, South Africa + London, UK

Freelance Designer – Mooku

Working as a full-time freelancer, my main clients included Clarins SA, Nickel, Thierry Mugler + local businesses. Working on all their digital and print design needs.

○ Apr'06 - May'08

Cape Town, South Africa

Founder & Designer – Manology

Designed and launched South Africa's first online male grooming store. Received the 2007 South Africa E-Commerce award for the Best Health and Beauty retailer.

○ Feb'05 - Apr'06

London, UK

Assitant Brand Manager & Designer – Tragus Group

Besides the daily brand managing duties, I was also responsible for all the print design work for the local marketing of 100+ restaurants.
